Dear Mr. Ehrensperger,

Thank you for your gift of \$25.00 on behalf of SCS/SNC Retirees to the Alabama Symphony Orchestra Annual Fund in memory of Mike Griggs. Your gift is helping to ensure that the ASO's world-class musicians bring our community more of the music you love. We have notified Linda of your generous contribution.

Through our performances, the ASO enhances education, inspires individual growth, and builds community. As a donor, you are a key part of our music and good work. It is so important that we have a strong community of patrons who support our orchestra both inside and outside of the concert hall, and we are grateful to count you among our supporters.

Thank you for helping the ASO share music with our community.

Sincerely,

Cheryle Caplinger
Interim Executive Director

P.S. If you have questions about your gift or the Annual Fund, please contact Nicholas McLaughlin, at (205) 314-6905 or nmclaughlin@alabamasymphony.com. Thank you again for your support!
